

Passage West/Glenbrook Tidy Towns

Help us make a difference

Our aims

- To enhance the appearance of the area, making it a more attractive place to live, work, do business in and to enhance enjoyment of the many recreational facilities available to us.
- To encourage residents, retailers and businesses to maintain their dwellings and premises and to show them to best effect.
- To identify “black spots” and “problem areas” and to develop strategies to deal with them.
- To lobby for better and more effective local government services.

Where do we meet?

Tidy Towns work group meets at the Water Tower across from the Tavern in Passage West at 10.00 am on Saturday mornings ... work parties generally last two hours and entail general landscaping / gardening work with some light maintenance such as painting, etc. and litter picks.

With the fine weather and strong growth, a smaller number of volunteers has also been meeting on a Wednesday evening at 7.30pm for an hour and a half for general weeding.

How can you help?

Now that the sun has been shining, the vegetation has taken off. We urgently need more volunteers to help out each week to do weeding and landscaping. We understand that people’s lives are busy and that it may not always be easy to come on a Saturday morning or Wednesday evening. But even if you can’t, there are ways in which you can help.

- Come and join the work group for whatever time you can give – an hour or less.
- If there is a “black spot” near you that you would like to improve but cannot do a Saturday morning or Wednesday evening, let us know and tackle it when it suits you.
- Maybe you would be able to help out for the bigger, one-off projects such as the R610 clean on Good Friday.

Tidy Towns is fun, sociable, great for getting out in the fresh air and for keeping fit!
